# WHAT IS YOUR RETIREMENT BENEFIT?

---

Members of the Employee's Retirement System of Rhode Island have a **Hybrid Retirement Benefits Plan** made up of a Defined Benefit plan (**Pension Plan**) and a Defined Contribution Plan (**DC Plan**).

# WHAT IS A DEFINED BENEFIT OR PENSION PLAN?

---

- Your Pension benefit is managed by ERSRI and **pays you a specific amount of money per month** when you are eligible to retire.
- You contribute towards your individual pension.
- Your employer contributes into the pension fund for all employees.
- The amount of your monthly pension benefit is based on a number of criteria including your schedule, how long you have worked and your salary.

# WHAT IS A DEFINED CONTRIBUTION (DC) PLAN?

---

- The Defined Contribution (DC Plan) allows you to **save money for your retirement in a tax-deferred account.**
- You and your employer contribute a percentage of your salary each pay period into your DC plan that is managed by TIAA.
- TIAA manages your investments and when you retire you will withdraw money from this account to pay for your living expenses.

# YOUR CONTRIBUTIONS TO YOUR PENSION AND DC PLAN

Contributions	Pension Plan	Defined Contribution (DC)
Employee	3.75%	5% or 7% <i>(if not in Social Security)</i>
Employees with 20+ Years of Service as of 6/30/12	11% <i>(3.75+5+2.25)</i>	No longer participates in the plan as of 7/1/15.

As part of the pension settlement, if you **have 20 or more Years of Service credit as of June 30, 2012**, you no longer contribute to the DC Plan as of July 1, 2015 and will continue to own your own account.

# YOUR EMPLOYER CONTRIBUTIONS TO THE DC PLAN

1% salary or 3% if not in Social Security.

## AT LEAST 15 YEARS, BUT LESS THAN 20 AS OF 6/30/12

  - Years of Service / July 1, 2005
  - Years of Service / September 30, 2009
